### SALEM THE PLACE.

It must be apparent to any Republican of common intelligence that the nearer the candidate and the campaign can be got to the people the stronger will be the prospect of success in this district next June.

The district central committee has been called to meet at Portland, which is not an auspicious start toward electing a congressman. Still, that does not matter so much except that it is a slur at the district.

The convention should be held as far away from Portland influences as possible, and for that reason it should be held at Salem. Marion county is the very antipodes of political methods to the metropolis in everything.

Salem has not had the congressional convention since Tongue was nominated the second time. The holding of the convention in the banner Republican county of the district would mean a great deal to the nominee.

Salem is the place to hold the convention, if the Republican managers desire to bring the fountain head of their politics in this district to a city that has adopted clean politics, and to a farming county that has never wrecked and divided the party, as Portland has.

Marion county Republicans favor clean politics, and are always good for a majority of from 1000 to 1500, if all

has been conducted fairly and squarely in the nominating convention. Otherwise, they are not so particular whether they scratch the ticket or not.

### A White Colored Man.

Mr. Hellenbrand yesterday received a letter from Marshall Hawkins, a colored waiter, who was well-known in Salem some ten years ago, enclosing \$11, to pay a bill he owed Mr. H. of about \$5 and interest. He had just returned to Spokane, and when he heard of Mr. Hellenbrand's bad fortune sent him the above amount. Mr. H. says out of hundreds of accounts that have been outlawed that he has on his books, this colored man is the only one white enough not to forget Mr. Hellenbrand when he needed it. Will some of the well-to-do people living not a thousand miles from Salem do as the honest colored man has done, and pay up the old score without interest.

## KICKED BY A HORSE

AND SUFFERED NEARLY FORTY YEARS BEFORE THE BONE HEALED

"AM I ALL RIGHT? OF COURSE 'M ALL RIGHT," SAID MR. A. COOPER, OF POLK COUNTY, WHEN ASKED ABOUT HIS LEG WHICH WAS HURT WHEN HE WAS A BOY. "I WAS KICKED BELOW THE KNEE BY A HORSE IN 1860 WHEN A MERE BOY, AND SUFFERED FOR YEARS. IT ACHED TERRIBLY AND SOON BROKE; THEN PIECES OF BONE COMMENCED COMING OUT AND CONTINUED FOR ABOUT A YEAR. THIS WAS FOLLOWED

BY AN ATTACK OF TYPHOID WHICH LEFT ME IN BAD SHAPE. WAS OBLIGED TO USE CRUTCHES FOR OVER TWO YEARS FROM THAT TIME UNTIL I WAS CURED ABOUT SIX YEARS AGO I ALWAYS USED TWO CANES. THE DOCTORS TOLD ME THERE WAS NO HOPE FOR A CURE UNLESS I HAD MY LEG SPLIT AND SCRAPED AND THE CORDS CUT. SOME ALSO ADVISED AMPUTATION, BUT I REFUSED, AND FINALLY DR. COOK, THE BOTANICAL SPECIALIST OF SALEM, TOOK MY CASE. I BEGAN TO IMPROVE AT ONCE, AND IN SIX MONTHS MY LEG WAS WELL IN FACT I FEEL THAT DR. COOK SAVED MY LIMB, AND I WANT EVERYBODY TO KNOW IT, FOR IT WAS A WONDERFUL CURE. SOON AFTER TREATMENT THE BLACK FLESH BEGAN TO GROW OUT OVER THE BONE WITH A HEALTHY COLOR."

A. COOPER.
